MRS. MYRO SCRIVER 1938

NAPANEE, Dec. 28— On Monday death claimed an estimable resident of the Township of North Fredericksburg in the person of Mrs. Myro Scriver and the funeral service, which was held on Wednesday afternoon from the family residence, was conducted by Rev. A. O. McCallum of the Bay Circuit.

Well known and held in very high esteem by a large number of friends, not only in the neighborhood where she resided, but also in Napanee, Mrs. Scriver had been in ill-health for the past ten years, having suffered a stroke at that time. Although confined to the house for some years she bore her illness with much fortitude.

She was the youngest of a family of seven and before her marriage was Miss Carrie Perry, daughter of the late Mr. and Mrs. Simeon W. Perry. She was born and had always resided in North Fredericksburg. Her critical illness had been about two weeks. Very congenial, she was well liked and the sympathy of the community is expressed for her bereaved husband and daughter as well as her only surviving sister, Mrs. James B. Miller of Napanee.

She was a devout Christian and for many years took an active part in the Morven brick church. Owing to her protracted illness she had been unable to attend church for many years. Prior to her illness she was a frequent visitor to Napanee.

A sister, Mrs. Perry Detlor, passed away in Napanee several years ago. Besides her husband she leaves an only daughter, Mrs. C. V. Biehl of Kitchener, and a sister, Mrs. J. B. Miller, Bridge Street, Napanee. Following the funeral service the remains were brought to Riverside Cemetery, Napanee, for interment.

## Medicinal Lore From Mid-China

MONTREAL, Dec. 28 — (CP) —

Part of Chinese medicinal lore for hundreds of years, such native remedies as powdered dogs' teeth, bones of mice, dried animals' blood and dried toads, together with 719 kinds of herbs, barks, roots and dried leaves, once again are being brought to Montreal after being cut off for several months due to Japan's war of aggression.

By pack train from the interior of the war-ravaged country to Hong Kong, thence to Vancouver and Montreal, come the majority of the products many of which have no English names. They find a ready outlet among the Chinese of Eastern Canada and the Maritime Provinces.
